

# Master Scuba Diver Challenge

Everyone should set their goal to become a Master scuba Diver, the highest non-professional rating in the PADI system. It shows that you have significant amount of training and experience in a variety of dive environments.

**You will be safer, confident and have more fun.**

We offer a suggested plan to attain this rating that we think will offer the most benefit to divers in this area. You may choose different specialties if you wish. And you may take as long as you wish to complete the program- you can complete in one season, or you might take 2 years. What matters most is that you set the goal and begin to work toward it.

Our suggested curriculum:

- ❖ Underwater navigator
- ❖ Dry Suit Diver
- ❖ Enriched Air Diver
- ❖ Night Diver
- ❖ Peak Performance Buoyancy
- ❖ Equipment Specialty
- ❖ Deep Diver
- ❖ Boat Diver
- ❖ Drift Diver
- ❖ Search and Recovery Diver
- ❖ Wreck Diver
- ❖ Underwater photographer

We offer a special plan that you can use to complete the program at a special price, just by committing to become a Master Scuba Diver. Choose your courses and receive the special pricing on the plan. To activate the special pricing, just sign up for your first course by December 31<sup>st</sup>.
